Admission process by Politecnico di Torino

The Unit of Specializing Master's Programmes, Lifelong Learning and Challenge, having received the applications, will evaluate the eligibility of each application based on the admission requirements provided for in Art. 3 and will publish the list of eligible candidates admitted to Eni selection process (see Art. 5) on the online University Bulletin and on the Selection Outcomes page of the Specializing Master Programmes' website:

<https://www.polito.it/en/education/specializing-master-s-programmes-and-lifelong-learning/specializing-master-s-programmes/specializing-master-s-catalogue/natural-resources-development-and-storage-0>

Only non-Italian university degrees will be assessed by a specific board chaired by the Programme Coordinator in order to evaluate the foreign qualification based on the admission requirements provided for in Art. 3.

All the applications evaluated eligible will be forwarded to Eni for the next phase of the selection process.

Politecnico
di Torino

PoliTO Master School

The person responsible for the Politecnico di Torino's administrative procedure is Mr. Alberto Pusceddu (Head of the Unit of Specializing Masters Programmes, Lifelong Learning and Challenge).

Art. 5

(Eni Selection process and outcomes)

Eni (also through its affiliated companies that act on its behalf) will carry out the selection process in line with their internal procedures and policies (<https://www.eni.com/it-IT/cariere/master-minds.html>), in order to select the candidates who will take part in the 2nd level specializing Master's Programme MiNDS.

Eni, in accordance to its recruitment policy, will contact the applicants who will be assessed through different following selection steps such as an English test, in order to verify language level, and an attitudinal and technical test.

The selection process will be held approximately by the end of October 2024 and will be carried out online, according to the number of applications received. Indications and instructions on the selection process will be communicated by Eni to applicants by email in the lead-up to the selection process.

At the end of the selection process, Eni will communicate the results to each applicant. Those who successfully pass the selection will be enrolled in the 2nd level Master MiNDS and will receive a monthly participation scholarship from Eni for the entire duration of the programme (see Art. 9).

Art. 6

(Enrolment and documents submission)

Enrolment

If you are admitted, you must enrol at Politecnico before the Programmes starts. You will receive an e-mail with useful information for your enrolment.

Documents submission

After completing the enrolment process, admitted students must present the original documents uploaded to their Application Form to the Unit of Specializing Master's Programmes, Lifelong Learning and Challenge before the programme starts (please refer to Art. 4).

If your degree was awarded by a non-Italian University, upon enrolment you must submit the original copy of the *Dichiarazione di Valore*/Statement of validity (related to your degree) issued by the

Politecnico
di Torino

PoliTO Master School

Italian Diplomatic Mission in the country where the qualification was awarded, or *Attestato di Comparabilità*/Statement of Comparability issued by the CIMEA Centre.

If your degree was awarded by a European university, you can submit your Diploma Supplement instead of the *Dichiarazione di Valore*/Statement of validity.

If you do not submit your Statement of validity, you can enroll in the programme with condition, but you must present this document within 6 months of the beginning of the programme. If you do not provide the above-mentioned mandatory document by the deadline, you are placed on hold and cannot progress in your studies until you actually present this document.

Politecnico di Torino reserves itself the right to check the truthfulness of the declarations included in self-certificate sent by the applicants (pursuant to Article 46 of DPR. no. 445 of 28 December 2000) and Politecnico excludes them from the ranking list in the event of false declarations.

Art. 7

(Student assessment and final qualification)

The Specializing Master's Programme require you full time commitment. You are requested to attend activities for at least 75% of the Programme.

Absences for more than this limit leads you to exclusion from the Specializing Master's Programme.

Withdraw from the Programme must be put in writing.

STUDENT ASSESSMENT

At the end of each course, you have to take an exam consisting in a written test and/or an oral evaluation test.

If you fail the exam, you can arrange a make-up exam directly with the professor responsible for the course. You can take a make-up exam just once.

At the end of the Programme, participants make a final report related to their project work and are assessed for it.

The final grade is assigned by the Graduation Examining Committee who will assess the overall average grade of all the exams on a scale of 110. Exams passed with honours do not have an impact on the Average grade. The Graduation Examining Committee can add up to a maximum of 5 points, taking into consideration the evaluation of the work you have carried out for the project work (dedication, autonomy, methodological rigour, relevance of results, etc.). If you reach the score of 110/110, the Graduation Examining Committee might decide to confer the degree with honours

Politecnico
di Torino

PoliTO Master School

(cum laude). The decision must be taken by qualified majority (at least 2/3 of the Committee members must vote in favour of awarding this distinction).

More details about the exams, final presentation and project work will be presented during the programme.

During the 2nd level Master MiNDS, Eni may check the overall performance of the students and, if in case of insufficient results in the exams, carry out dedicated counselling activities for improving their performance.

FINAL QUALIFICATION

Upon completion of the programme, participants who regularly attended the activities and earned all the ECTS required for graduation, are awarded the “Natural resources development & storage” 2nd level Specializing Master's diploma by the Politecnico di Torino. The Diploma will be issued in English.

If, at the end of the Specializing Master's Programme, you have not passed all the exams included in your Study Plan you can get a Certificate of Attendance and a Transcript of Records with the list of the exams that you have passed with grades, dates, credits and scientific disciplinary field.

Art. 8

Annex 1 Eni Information Privacy Notice

Pursuant to the Regulation (EU) 2016/679 ("GDPR"), Eni S.p.A. (hereinafter the "**Company**" or the "**Data Controller**") provides you ("**Data Subject**") with information on the processing of your personal data ("**Personal Data**") carried out in connection with your application to the 2nd level Master MiNDS, as well as your eventual admission to it.

In particular, if you have been considered an eligible candidate by the Politecnico di Torino, Eni will process your Personal Data in connection with the second phase of the selection procedure (including your registration to Eni's candidates' website eni.com/careers ("**Website**"), the submission of your application through the Website, the performance of the selection tests and the evaluation of your results) in compliance with the privacy policy provided on the Website at the bottom of the application form for the 2nd level Master MiNDS. For the above-mentioned selection purpose, and in addition to the personal data collected by Eni through the Website, Eni also receives your personal data from the Politecnico di Torino, to check if the admission requirements are met and if you have already applied on the Website and, if not, to inform you on the next phase of the selection procedure). Moreover, Eni will process your Personal Data in connection with your internship on Eni's premises in compliance with the information privacy notice that will be provided by Eni at the beginning of the internship period.

Please find below the information concerning the processing of your Personal Data related to your eventual participation to the 2nd level Master MiNDS.

1. Data Controller

The Data Controller is Eni S.p.A., with registered office in Rome, Piazzale Enrico Mattei 1, 00144, VAT no. 00905811006.

2. Data protection officer

The object of the processing is your common Personal Data provided by you or collected by the Data Controller also through the Politecnico di Torino (for example, data necessary to supply the scholarship such as surname – name – gender – tax ID code – civil state – place and date of birth – nationality – citizenship – address - bank details, as well as your results in the courses).

3. Personal Data processed

The object of the processing is your common Personal Data provided by you or collected by the Data Controller during the selection tests, as well as during your possible participation in the 2nd level Master MiNDS.

4. Purposes of the processing

Your Data is processed for the following purposes ("**Purposes**"):

- a) to fulfil the obligations imposed on the Data Controller by laws or regulations and to comply with requests from public authorities;
- b) to manage your admission and eventual participation to the 2nd level Master MiNDS, as stated in the Call for application, including supplying you a participation scholarship, checking your performance and, if in case of insufficient results in the exams, carrying out counselling activities for improving your performance;
- c) in the context of exceptional transactions involving a merger, sale or business unit transfer, to carry out the activities preparatory to such operations, including due diligence processes;
- d) to ascertain, exercise, defend a right of the Controller and/or of third parties, both in and out of court.

5. Legal basis

Politecnico
di Torino

PoliTO Master School

Various reasons underlie the processing of your Personal Data. In particular:

- the processing of your Personal Data for the Purpose referred to in paragraph 4, It. a) is based on the need to comply with legal obligations or a request from the authorities (in accordance with the legal basis referred to in Article 6(1)(c) GDPR);
- the processing of Your Personal Data for the Purpose referred to in paragraph 4, It. b) is based on the need to execute the Call for application for the 2nd level Master MiNDS (in accordance with the legal basis referred to in Article 6(1)(b) GDPR);
- the processing of Your Personal Data for the Purposes referred to in paragraph 4, It. c) and d), is carried out on the basis of the legitimate interests of the Company in pursuing its commercial activities and safeguarding its rights (in accordance with the legal basis referred to in Art. 6(1)(f) GDPR).

The refusal to provide the Personal Data for such Purposes will result in your inability to participate in the Master.

6. Means of the processing

Your Personal Data may be processed with the aid of electronic or automated systems, managed through tools that ensure security and confidentiality, and will include every operation or set of operations necessary for the processing.

7. Persons authorized to process and recipients of Personal Data

Your Personal Data are processed by personnel appointed by the Data Controller to pursue the Purposes, as persons authorized to process. The Personal Data may be disclosed by the Data Controller to the following categories of recipients, solely for the Purposes:

- Politecnico di Torino;
- other companies controlled by Eni S.p.A.;
- ECU - Eni Corporate University S.p.A. - and EIRL – Eni International Resources Ltd (Italian Branch), who provide the Data Controller with candidates selection, provision of Scholarship, monitoring during the study course services for the 2nd level Master MiNDS;
- professional and advisory firms engaged in connection with ordinary business and litigation;
- oversight/supervisory bodies;
- IT service providers;
- audit firms;
- public authorities, where requested by them or where required by law.

With respect to your Personal Data disclosed to them, recipients in the above categories may operate as data processors (in which case they will receive appropriate instructions from the Data Controller) or as independent data controllers.

Personal Data will not be disseminated, unless required by law.

8. Transfer of Personal Data outside the European Economic Area

Where this serves the Purposes, Personal Data might also be transferred abroad to companies based outside the European Economic Area ("EEA"). Some of the jurisdictions outside the EEA might not guarantee the same level of Personal Data protection guaranteed within the EEA. In this case, the Data Controller undertakes to regulate the transfer and subsequent processing of the Personal Data through the Standard Contractual Clauses provided by the European Commission and to adopt every other safeguard required by article 46 GDPR if it is not possible to use one of the derogations listed in article 49 GDPR.

9. Storage of Personal Data

Your Personal Data will be kept for the time necessary to fulfil the Purposes and will be deleted thereafter. In particular, your Personal Data will be kept for the entire duration of the 2nd level Master MiNDS and, thereafter, for maximum 1 year or in any case for the time necessary to perform the activities related thereto.

Politecnico
di Torino

PoliTO Master School

However, your Personal Data may be kept for a later period in case of possible litigations, requests by the competent authorities, as well as in case of possible needs of further storage under applicable laws.

10. Rights of data subjects

As Data Subject, you have the following rights concerning your Personal Data collected and processed by the Data Controller for the Purposes:

- obtain confirmation from the Data Controller as to whether or not their Personal Data are being processed, and, where that is the case, access to the following information listed in article 15 GDPR;
- obtain from the Data Controller the rectification of inaccurate Personal Data, or, taking into account the purposes of the processing, have incomplete Personal Data completed in accordance with article 16 GDPR;
- obtain from the Data Controller the erasure of Personal Data, where one of the grounds listed in article 17 GDPR applies;
- obtain from the Data Controller the restriction of processing of Personal Data in the cases listed in article 18 GDPR;
- receive - in a structured, commonly used and machine-readable format - the Personal Data provided to the Data Controller, so that the Data Subject may transmit those data to another data controller without hindrance, in accordance with article 20 GDPR;
- object to the processing of their Personal Data on the basis of their particular situation, unless there are compelling legitimate grounds for the processing that override their interests, rights and freedoms or compelling legitimate grounds for the establishment, exercise or defence of legal claims, in accordance with article 21 GDPR.

You have also the right to revoke any consent you may have provided. Such revocation shall not affect the lawfulness of the processing based on the consent given before the revocation.

These rights may be exercised by emailing the DPO at dpo@eni.com.

Without prejudice to their right to initiate other administrative or judicial proceedings, Data Subjects also have the right to lodge a complaint with the competent supervisory authority (for Italy: Garante per la Protezione dei Dati Personali) if they believe that there has been a breach of their rights with regard to the protection of their Personal Data.
